Home Fleet Errata

Page F-1: The British 21 in MkII warheads are reversed. The 35-knot version had a warhead of 234 kg/75 dp, and the 29-knot version had a 181 kg/68 dp warhead.

Page F-1: The British 18in MkXII** torpedo remark should be “Drop at 270 kt.”

Thanks to Ian McDowall.
